

Champions For Quality Assurance

By Group C

To be the Champions For Quality Assurance

Realize that

QA exercise demonstrates the capacity to respond towards changing environment and strive to meet stake holders' needs and expectations

To be the Champions For Quality Assurance

The Champion indulge in;

- Excellent & innovative practice**
- Efficient execution of QA activities.**

Attributes of QA Champions

- **Team work** – It should be collective effort – **Eg. Germany won FIFA as a team but Argentina had potential individuals but was defeated.**
- **Leadership** - Competent, able, committed and devoted.
- **Culture and Tradition** – one should not compromise with the standards
- **Basics right**- Policies, procedures, infrastructures...
- **Support**- Academic, Administrative, Stake holder support.

Attributes of QA Champions

- **Recognition & Rewarding** – Excellence in teaching, innovation, research and creativity of both staff and students.
- **Quality management-** positive engagement demonstrate accountability.
- **Fact based decision making** – back by Survey and reviews.
- **Efforts to improve KPIs**
- **Branding** – International professional accreditation
- **Sustainability** – Institutionalized IQA for financial and Operational stability.

Thank You
