

DIALOG TECHNOLOGY SCHOLARSHIPS PROGRAMME G.C.E. (A/L)

Dialog Technology scholarships programme, is a merit based scholarship scheme which is for the students with outstanding G.C.E. A/L results in physical science stream. It provides financial assistance for the students who are studying in Faculty of Engineering at undergraduate level, since 2003.

Considerable number of students has been benefited from or is currently being benefited from the Dialog Merit Scholarship programme during their undergraduate studies.

The Chief Manager Group Sustainability & Corporate Affairs, Dialog Axiata PLC requested the University Grants Commission to furnish the details of the students who are eligible for the Dialog Merit Scholarships based on their performance at GCE (A/L) under following criteria:

- I. The Male student who has obtained the highest Z-score in Sri Lanka in physical sciences stream at the first attempt at G.C.E. (A/L)
- II. Top Female student who has obtained the highest Z-score in Sri Lanka in physical sciences stream at the first attempt at G.C.E. (A/L)
- III. 25 students obtaining the highest Z-score in each of the 25 administrative districts in Sri Lanka in physical sciences stream at the first attempt at G.C.E. (A/L)
