2 November 2017

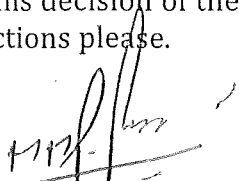

Vice-Chancellors of Universities

Naming of Engineering Degree Programmes offered by universities in Sri Lanka

I wish to inform you that the University Grants Commission at its 973<sup>rd</sup> meeting held on 12<sup>th</sup> October 2017 having considered the contradiction in Sri Lanka Qualifications Framework on naming of Engineering degrees offered by universities in Sri Lanka and the recommendations of the Standing Committee on Engineering & Architecture of the UGC granted approval to make **Designator** of all Engineering degrees offered by the universities under the purview of the UGC to be **"the Science of Engineering"**.

It was also decided that if necessary, a qualifier could be included to indicate the field of specialization of Engineering degree programmes.

This decision of the Commission is conveyed to you for your information and necessary actions please.

  
Dr. Priyantha Premakumara  
Secretary
