Report on Visit by Director QAC-UGC to University of Vavuniya, 2022

Prof. Tilak P. D. Gamage, Director, visited University of Vavuniya on September 22 to discuss the progress of QA activities at the university and to conduct an awareness session for academic and administrative staff on QA. The arrangements were facilitated by Prof. Pushpanathan, Director Center for Quality Assurance of the University.

The University of Vavuniya was a campus of the University of Jaffna and was established on April 1, 1997 with two faculties, namely the Faculty of Applied Sciences and the Faculty of Economics. In 2020, the Faculty of Technological Studies was also established. The Vavuniya Campus of the University of Jaffna was elevated to an independent state university on June 08, 2021, and established as the "University of Vavuniya, Sri Lanka".

The founding Vice Chancellor of University of Vavuniya, Prof. Mangaleswaran, invited the Director QAC to visit the university and conduct an awareness session on QA, as decided by the 11th Council Meeting of the University. Accordingly, the Director QAC visited the University of Vavuniya on September 22, 2022, as part of his routine visits to universities. He conducted an awareness session in the morning and discussed QA activities with faculty in the afternoon.

The Vice Chancellor, the Deans, Bursar, the Librarian, the Faculty Coordinators of the Quality Assurance Cells, and some academic and administrative officials were present at the awareness session. The Vice Chancellor gave a speech in which he emphasised the importance of maintaining the quality of education and explained the steps he has taken to create a culture of quality at the University. The Director QAC conducted a two-and-a-half-hour presentation on the future direction of higher education. At the end of the event, Dr. K. Kalainathan, Coordinator of the Faculty Quality Assurance Cell of the Faculty of Business Studies delivered a vote of thanks. Dr. M. Malawarn, an active member of the Council, also attended the session.

Prof. Pushpanathan, the Director CQA presented an overview of the quality assurance practices and the progress of QA activities at the newly established university. explained. Also, he informed that the Quality Assurance Management Committee meets monthly and chaired by the Vice Chancellor. Quality Assurance is a permanent agenda item of the Senate and Faculty Boards. He also appreciated the support receive from the academic community to operate the CQA effectively at the university. It was noted that significant progress has been made already in implementation of the action plan, including a complete curriculum revision. It was also noted that the University has submitted a number of new programmes.

All three faculties of University of Vavuniya currently offer twelve degree programmes of three and four years duration. Among them, the Bachelor of Business Management Honours received an A grade in the 2018 for the Programme Review. Also in 2020, the Bachelor of Science in Applied Mathematics and Computing, Bachelor of Science Honours in Environmental Science and Bachelor of Information and Communication Technology programmes were reviewed, and reports are pending. In the afternoon, Director QAC visited the facilities of the CQA and Faculty QA Cells. The three faculties, the Faculty of Applied Sciences, the Faculty of Business Studies, and the Faculty of Technological Studies, have each established their quality assurance cells.

Currently, the CQA is located at the Faculty of Business Studies as the construction of the main administration building is not yet completed. The Director QAC visited the CQA and had a brief discussion with the Director CQA and the staff on workload handled by the Center, available facilities, and plans for further improvements. The CQA and the three QA Cells needs an assistance to strengthen their QA activities at the University. In addition, the Vice Chancellor has submitted a request to the QAC requesting some facilities for the CQA and the three cells.

The Director QAC was very positive about the progress of the University's QA activities and the support provided by higher authorities in managing QA activities. The Director QAC noted that the postgraduate programmes run by the University will be reviewed within the next five-year cycle and the review plan will be circulated once the review plan is finalized. In addition, a workshop for SER writers will be held as soon as possible to prepare faculty for the reviews.
